Here you can read all about life through the sparkling eyes of the Bug. A life filled with horrific dates, wild family, kooky friends, incredible travel adventures and mundane daily encounters. I love exploring new destinations, popcorn, Amaretto sours, Carnations, intelligent, handsome and witty men; and writing.

Let me take you for a raw, candid ride on the merry-go-round which is my life. Indulge your voyeurism, my little Love Bugs; I promise you will leave with a smile on your face..
